

Agreement # _____

**The Ohio State University
Stores' Service Agreement
University / Research Foundation Standing Orders**

The Stores Department is committed to providing reliable, high-quality products and services to support teaching, research and patient care for The Ohio State University. University business purchases must conform to university, research and medical center internal controls. The following item(s) have been identified as purchase requirements for your business unit that are currently made with a 100W and not through the PeopleSoft workflow approval processes. These item(s) may require special handling or are categorized in most cases as "critical need" with usage that is difficult to project in advance of the need. The following information must be provided to confirm that your business unit approves the purchase of the product or service listed below without going through the PeopleSoft workflow process.

Individuals authorized to approve releases against this Service Agreement (3 maximum)

By signing, I am authorizing this chartfield to be added as a standing order with the Stores Department for the purchase of the product/service as outlined in this Stores Service Agreement. Should billing information or delivery requirements need updated anytime during the term of this agreement, I will promptly notify Stores in writing of any changes. I acknowledge these products can be ordered through the PeopleSoft workflow approval process but due to our business needs we are electing not to do so. We agree to abide by the Stores terms and conditions for dry ice and liquid nitrogen orders posted on the Stores web pages at osustores.osu.edu.

Order and Reconciliation Processes Standing Orders
